

## Sheviock Parish Circular Footpath

This entirely new permissive path has been developed as result of support from the Antony Estate for a Parish Council initiative. It has been achieved only through the co-operation of the farmer Kevin Andrew. The path has been financed by the following:

SITA Cornwall Trust

Cornwall Community Foundation

Tamer Valley ANOB Cornwall Council Local Member's fund Bake Sawmill and Sheviock Parish Council.

**The Parish Council is very grateful to all these organisations, private individuals and to Kevin.**
